

BESPOKE BUILDS

EESL can provide a bespoke stand build service for those exhibitors that would like to have something other than the shellscheme stands.

We can provide a full design and build service and will liaise with you from start to finish, providing a personal and exceptional service.

We understand that all exhibitors/sponsors have specific requirements and budgets and will endeavour to discuss these with you and ensure you are thrilled with the outcome when you see your stand on-site.

For more information and to start the process of designing an amazing stand, please contact us on:
