

EXHIBITOR CENTER

To access your exhibitor area, click on your name at the top right-hand corner, then on “Exhibitor Center”.

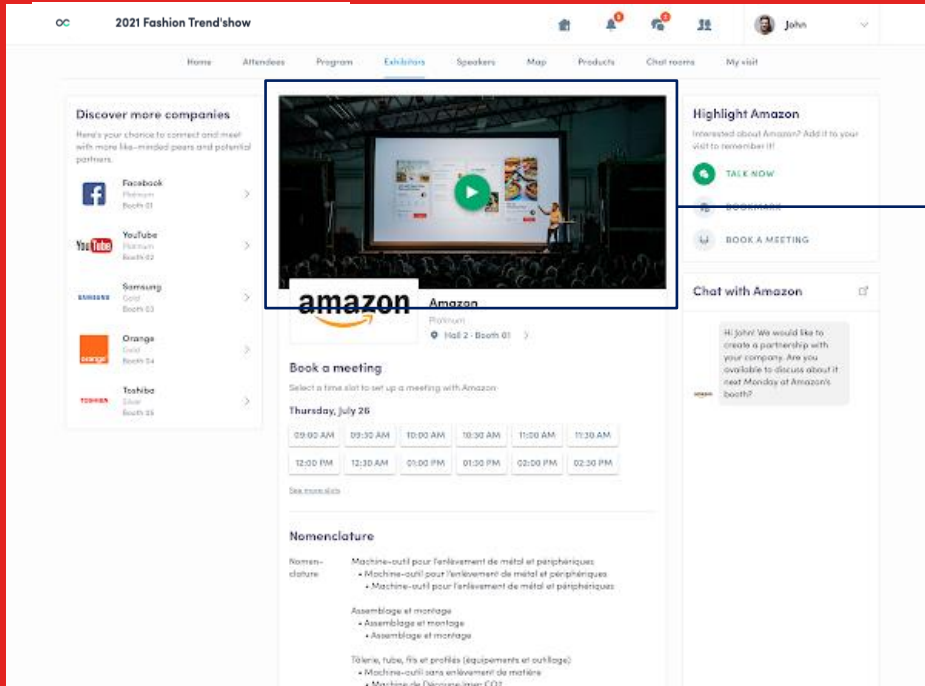

To navigate through the different sections of your exhibitor center, please use the menu bar that appears on the left-hand side of your screen.

◀ **Home** is the first page that you will see when accessing the Exhibitor Center.

◀ A red pin indicates that you have a **pending notification**, so take a look and see what's going on!

In the exhibitor center you are able to upload an image or video to your company homepage.

To upload a file, click on « Company Profile ». In the first part, click on « Edit ». You will then be able to add your image file or video ID.

This can be a live or pre-recorded video, hosted on Youtube or Vimeo.

This video will play at the top of your booth's page. Suggested video length should be no more than three minutes.

To manage the members attached to your exhibiting company, go to "Your team".

You can then view your team members, delete or add them and manage the visibility of their profile.

The screenshot displays the 'Your team' management interface. On the left is a navigation menu with options: Home, Company profile, Meetings (with a notification badge), Contacts, and Your team (selected). The main content area shows a list of team members:

- Aliénor Al-Mallak**, Event Project Manager, Swapcard. A blue circle highlights a pencil icon next to his name, which is linked to the settings modal.
- Allyson Jean-Charles**, Office & People Operations Manager, SWAPCARD.
- Andrea Di Benedetto**, PM, Swapcard.
- Baptiste Boulard**, CEO - | improve network Swapcard - Event App & ...

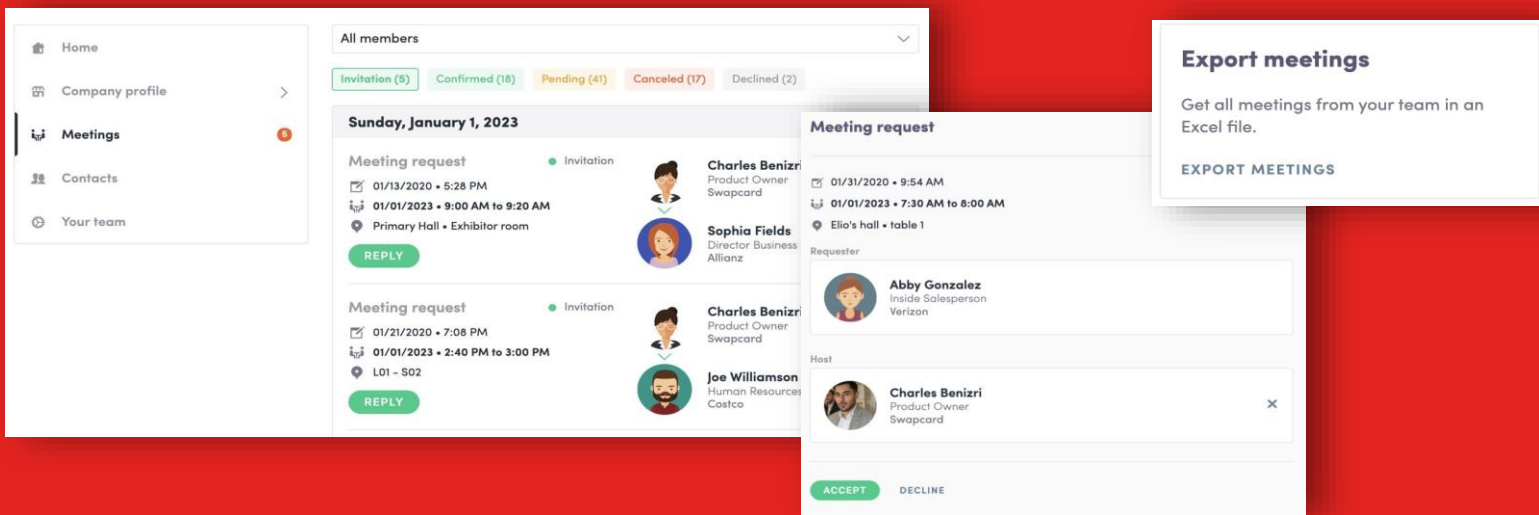

On the right, there is a section titled 'Invite your colleagues' with the text: 'Add your colleagues (registered for the event) to your team so that they also have access to this interface. This will also allow you to easily share contacts made by members during the event.' Below this text is a green button labeled 'ADD A MEMBER'.

The settings modal for Aliénor Al-Mallak is open, showing the following options:

- Member settings**
- Show profile:
- Share his contacts with the team:

In this section you can:

- Display your team's meetings
- Filter meetings by status: Pending, Validated, Declined, Cancelled
- Assign a meeting to a member of your team: click "REPLY" on the meeting request, and choose the person to assign
- Accept or decline meeting requests
- Export the full list of your team's meetings

The screenshot displays the 'Meetings' section of the ATX SG interface. On the left, a navigation menu includes 'Home', 'Company profile', 'Meetings' (with a notification badge), 'Contacts', and 'Your team'. The main content area shows a list of meeting requests for 'All members' on 'Sunday, January 1, 2023'. The requests are filtered by status: Invitation (5), Confirmed (18), Pending (41), Canceled (17), and Declined (2). Two meeting requests are visible:

- Meeting request 1:** Invitation from Charles Benizri (Product Owner, Swapcard) on 01/13/2020 at 5:28 PM. The request is for 01/01/2023 from 9:00 AM to 9:20 AM in Primary Hall - Exhibitor room.
- Meeting request 2:** Invitation from Charles Benizri (Product Owner, Swapcard) on 01/21/2020 at 7:08 PM. The request is for 01/01/2023 from 2:40 PM to 3:00 PM in L01 - S02.

A detailed view of a 'Meeting request' is shown in the foreground, featuring:

- Requester:** Abby Gonzalez (Inside Salesperson, Verizon)
- Host:** Charles Benizri (Product Owner, Swapcard)
- Request details:** 01/31/2020 at 9:54 AM, 01/01/2023 from 7:30 AM to 8:00 AM, in Elio's hall - table 1.
- Actions:** ACCEPT and DECLINE buttons.

An 'Export meetings' dialog box is also present, stating: 'Get all meetings from your team in an Excel file.' with an 'EXPORT MEETINGS' button.

Shared contacts & exporting

The screenshot shows a web application interface with a sidebar on the left containing navigation options: Home, Company profile, Meetings, **Contacts**, and Your team. The main content area features a search bar and a table of contacts. A green 'EXPORT ALL' button is located in the top right corner of the table area.

At the bottom of the table, there is a pagination control showing 'Nb / page: 10', 'Page: 1', and '1 - 10 of 30'.

By going to the "Shared Contacts" tab, you can view and export all the contacts collected by you and your team before, during, and after the event.

Only the contacts of your collaborators who have enabled the contact sharing option will be displayed, in addition to yours.

Check that all your collaborators have activated it.

Let's talk GDPR...
All users of the platform have agreed to share their data with the event organizer. When you scan a badge or connect with a user, they agree to share information with you. You therefore retrieve this information in compliance with the GDPR regulations.

From your App or WebApp, you can also export your contacts (and only yours) as an excel file by going to your contacts and clicking on "export".
