

The Radisson Blu Upper Hill Hotel has a variety of restaurants from which you can order any additional catering of your preference.

Please use the below links below to have a look at the different menus available from the hotel outlets.

**The Chophouse** - an Afro Mediterranean fine dining steak house boasting an incredible wine list and a true gastronomical adventure.

**The Larder Restaurant** - Our all-day dining experience where we serve buffets however not on a regular basis. We host over 100 items on our breakfast spread and this buffet is available 7 days a week, however for lunch and dinner it is usually determined by bookings and demand. The restaurant also has an exceptional A la carte continental menu.
