

BIO-EUROPE SPRING®

MARCH 18-20, 2024 | BARCELONA, SPAIN

Shell Scheme Booths

Main Operations Contact: Tessa Wollen | twollen@ebdgroup.com

KEY INFORMATION

- Exhibition Stands ranging from **6sqm to 18sqm** will be having shell scheme.
- Shell scheme booth structures are **mandatory for exhibitors** and will be provided by EBD Group.
- **Sponsors only** – you may be able to bring your own booth structure. If you wish to do so, please contact [Catherine Chang](#) by **Friday 19th January**.

****Please note this is not guaranteed and is based on feasibility and whether it is permitted in the location of your booth space.*

TO ACTION

1. Please read through carefully through this document to familiarize yourself with the regulations below and what is provided and not provided.
2. Read through, sign and submit the venue's and Informa's health & safety guidelines

 - a. DEADLINE: Friday, March 1, 2024

[Please Upload all Documents Here by Friday, March 1, 2024](#)

YOUR SHELL SCHEME BOOTH

WHAT IS INCLUDED

- Octanorm or similar shell scheme walling, back and side panels.
- Height: 2.5 m
- Colour: white with silver aluminium framing
- Power supply: 3kW, including Schuko (EU) power strip.

If you require additional power, you will need to order this. If you are planning on running power across your booth, please order floor trunking to minimize loose cables.

NOT INCLUDED

Booth equipment -

- Carpet or flooring – **mandatory to order**
- Furniture
- Wired LAN internet access

- Display systems
- Printed panels
- Cleaning services, paper bins, etc.
- ****Exhibitors need to order these at their own cost from the venue's webshop [link to come soon]**

CONSTRUCTION RULES

- **Maximum height** of any item brought into your booth: **2.50 m**
- Hanging signs are not permitted.
- Extensions of your partition walls, as well as signage towards any neighbouring booths are not allowed.
- To ensure stability and safe build, the size of your booth's side/partition walls cannot be changed.
- A minimum of **50% of the length of any side** bordering an aisle or a neighbouring booth **must be open**.

GENERAL RULES

- All equipment and items that you bring or order must **stay within your booth space**. **Walkways must be kept free** of any items.
- If you bring a pop-up wall or roll-ups, you may not **store anything behind them**. Floor safety management may remove them if you do.
- Your **pop-up/decorations** need to fit within the **inner measurements** of your booth space. **Net space can be up to 10 cm less** than the total booth length/width. See booth renderings below for further details.
- No modifications, additions or changes to the shell scheme construction are allowed.

Shell Scheme Booth Types and Panel Measurements

Below drawings show our 6 to 12sqm shell scheme booth types. Please refer to them to obtain details regarding the number and size(s) of the shell scheme panels.
