

Africalgnite Start-Up Pod Inclusions

YOUR START-UP POD WILL LOOK LIKE THIS:

The pods are arranged in clusters of 2 or 4 in the Africalgnite Start-Up Marketplace.

YOUR START UP POD INCLUDES:

- 1x L-shaped counter with back walls
- 1x Bar stool
- 1x Nameboard
- 1x Logo on panel (If you would like to upgrade to a full graphic print you can do so by contacting [Jane & Paul](#))
- 1x 15A plug point

IMPORTANT: Due to space constraints in the start-up areas, additional branding materials like pop-up banners, extra furniture, AV equipment, or catering services are not allowed, please do not place any orders. No storage or lockable cupboards are available. If providing giveaways, they must be small items that can fit on your countertop, as there is no room for boxes.
