

Olympia London parking access

Important information

- To secure a parking space we require you to [pre-book online](#) as spaces are limited.
- To access the car park, take Blythe Road and follow the one way system to MacLise Road to turn left into the car park. Olympia Way is no longer accessible to visitors' vehicles.
- We are operating a cashless car park. All major cards are accepted.
- If you're unable to pre-book a space, please see [off-site parking](#) location alternatives.

Olympia London unloading and loading access

Important information

- Any vehicles needing to service the event (contractor, exhibitor & courier) are required to pre-book through [Voyage Control](#). Vehicles not pre-booked will not be permitted.
- The maximum height for all logistics vehicles arriving at site is 4.4 metres.
- All vehicles booked through Voyage Control must have a valid Voyage Control booking and the pass ready to be checked by traffic marshals.
- Any vehicles unloading or loading can gain access from Hammersmith Road turning left into Olympia Way. There is no right turn from Kensington High Street.
- Stick to your time slot and do not arrive in advance of your booking start time.
- Please follow the instructions of Olympia London Traffic Staff.
