ATA Carnet:

A foreign entity (e.g. foreign exhibitor) can use an ATA carnet to temporarily import goods into Singapore goods for display or use at exhibition, fairs or other similar events. The goods are allowed to be imported into Singapore for a period of 6 months from the date of importation.

Temporary Import Scheme - Raised By Schenker Singapore (Pte) Ltd:

Schenker Singapore (Pte) Ltd can provide a Banker's Guarantee on your behalf for exhibition goods under Temporary Import Scheme. This procedure involves raising a bank guarantee to Customs to cover the potential (Goods & Services Tax) GST/Duty liability.

Requests for extension of these periods must be made in writing (with reasons stated) to Head, Company Compliance Branch.
