

CODE OF CONDUCT

We believe our community should be truly open for everyone. As such, we are committed to providing a safe, friendly, and welcoming environment for all, regardless of gender, sexual orientation, disability, ethnicity, or religion.

This code of conduct outlines our expectations for participant behavior, as well as the consequences for unacceptable behavior, for both the in-person event and the virtual event.

We invite all sponsors, speakers, attendees, media, exhibitors, and other participants to help us realise a safe and positive conference experience for everyone. All determinations of appropriate or inappropriate behavior are in Informa's sole discretion and the decision(s) of the Informa representatives will be final.

You will not engage in any form of harassing, offensive, discriminatory, or threatening speech or behavior, including (but not limited to) relating to race, gender, gender identity and expression, national origin, religion, disability, marital status, age, sexual orientation, military or veteran status, or other protected category.

You will comply with the instructions of the moderator and any MVNOs World event staff.

You will comply with all applicable laws.
