

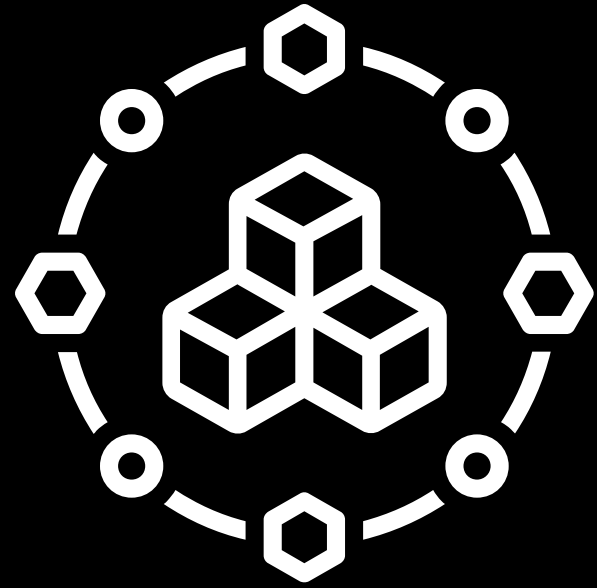

Exhibition Stand Upgrades

YOUR STAND. BUILT BETTER.
Smarter. Greener. Seamless.

BUILT FOR THE FUTURE

At Informa, we don't just build stands—we build smarter, more sustainable exhibition experiences. Our commitment to innovation means your brand looks better, launches faster, and makes a bigger impact, with less environmental cost.

SUSTAINABILITY MEETS STYLE

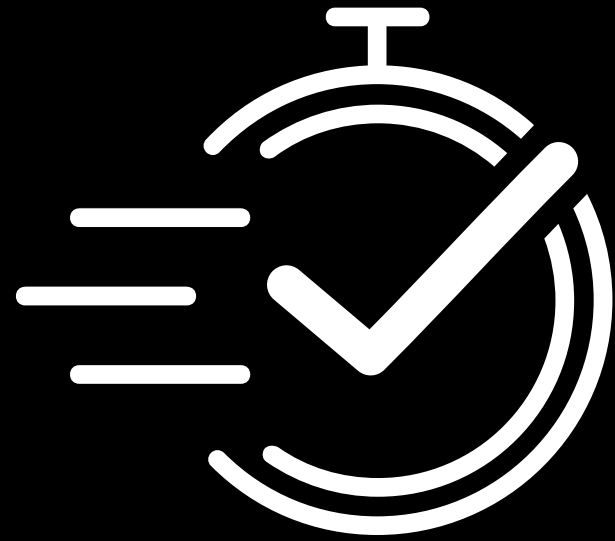

We proudly build with beMatrix—the modular, reconfigurable stand system that's changing the game.

- Reusability: beMatrix frames are endlessly reusable, reducing waste year after year.
- Lower Carbon Footprint: Lighter transport loads and minimal onsite waste.
- Cleaner Aesthetic: Hidden framework means sleek lines, smooth finishes, and a premium feel.

Let your brand shine—without leaving a heavy footprint.

SPEED WITHOUT COMPROMISE

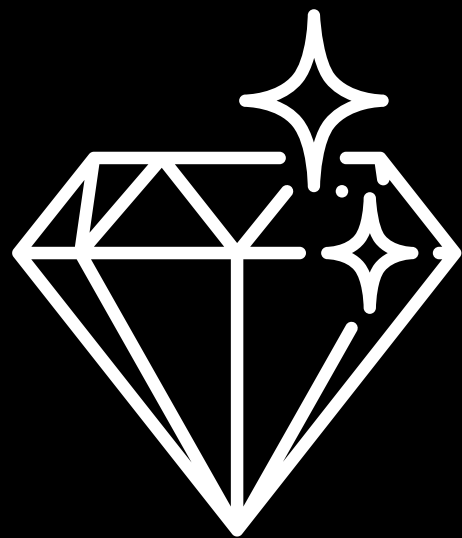

Our systemised approach drastically reduces build times, getting you from planning to show floor faster than ever.

- Precision pre-planning
- Reduced onsite hours
- Faster turnaround between shows

Less time building. More time showcasing.

LOOKING GOOD HAS NEVER BEEN THIS EASY

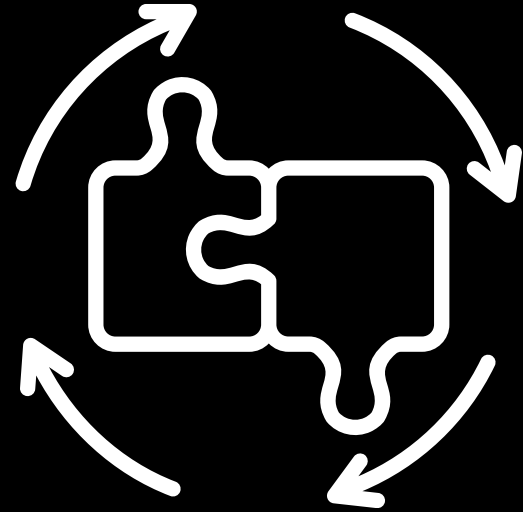

We combine modern materials, clever design, and exceptional craftsmanship to deliver stands that don't just look great—they stand out.

- High-impact visuals
- Seamless finishes
- Fully customizable branding zones

Whatever your vision, we make it real—and remarkable.

A SEAMLESS JOURNEY

From concept to completion, you'll have a dedicated account manager who oversees every detail of your stand.

- One point of contact
- Expert project oversight
- Full visibility via Monday.com, our integrated online management system

You stay in the loop. We handle the rest. Stress-free, transparent, and always on time.
