

This is an overview of the audio-visual (AV) equipment options available for your exhibition stand. This information is provided by our official AV partner, ACS, who will be pleased to support your technical requirements.

AV Equipment Options

43-inch LED screen – €660.00*

55-inch LED screen – €820.00*

Laptop – €150.00*

All LED screens include:

- Floor stand
- HDMI cable
- USB support (*formats supported: MP4 or JPEG only*)

* Prices may be subject to change should the event agenda differ from the schedule outlined below.

* All prices include setup, dismantling, and transportation from the warehouse. **21% VAT is not included.**

Content Display Guidelines

Based on guidance from our AV partner:

- A USB stick is suitable for logos and short videos (MP4 or JPEG only).
- For longer video content, a laptop is strongly recommended for optimal performance.
- For presentations, a laptop is essential to ensure smooth playback and full functionality.

Order Confirmation

To proceed, we kindly ask you to confirm your AV requirements **no later than 16:00 on Friday, May 8th** to Christine Pratt – Christine.Pratt@okura.nl. With your confirmation, please include:

1. Company Name
2. Table / Exhibitor Stand Number
3. Contact Name
4. Contact Email Address
5. Billing Address
