

Attending Informa Connect Events

Our Event Code of Conduct

Having a great event experience

We want everyone who comes to our events to have a great experience. Whether you are attending, speaking, exhibiting, sponsoring or working with or for us, our focus is on creating an environment and experience that everyone can participate in and benefit from.

Safety, respect and consideration are integral to this.

We have zero tolerance towards any verbal or physical threats, violence, abuse or harassment at any live, on-demand or official auxiliary events or on our digital platforms and community sites, or for anyone acting in a way that could affect the safety of others.

Anyone not following these rules or behaving in an unacceptable way will be asked – and expected – to stop doing so immediately and may be removed from the event.

All determinations of appropriate or inappropriate behaviour are at the sole discretion of Informa and its event team.

Reporting any concerns

EMERGENCIES: Report an emergency to show staff or security or contact Rachel.Lewis@Informa.com

If you experience or witness any breach of this Event Code of Conduct, or have any other concerns, contact the event team so we can investigate promptly and take any action required.
