

Height Variance Allowance Form

DEADLINE: August 7, 2023

If you are concerned that your booth design does not adhere to standard tradeshow regulations (IAEE North American Guidelines) for example - inline exhibits should not be more than 8' high. If you have a concern please submit your design to Show Management for review. All exhibits will be subject to review onsite by the Fire Marshal.

Complete the following information and submit this form along with drawings of your booth design, including dimensions of all elements and their distance from the aisle and/or neighboring exhibitors.

Exhibiting Company: _____

Design Company (if applicable): _____

Name of Person Submitting Design: _____

Telephone: _____ Fax: _____

*Please complete and email this form to Show Management along with CAD drawings at:
no later than **August 7, 2023.***

Show Management will review the design submitted and approval of the design will be confirmed in the section below. If the design cannot be approved, a member of Show Management will contact you to discuss the design. Please allow 5 business days for processing.

For Show Management use only
