Dear Exhibitor,

Expo is pleased to have been chosen as the Official Service Contractor for your event. We are prepared to assist you in every way possible to insure your company's experience is a success!

Please read through this exhibitor manual carefully. This manual contains important information including deadline dates and the necessary forms for ordering from the many services provided by Expo.

Once you have completed your service forms you can email them to info@expocci.com or fax to (305) 751.1298. Forms printed from the Official Sub-Contractors section should be faxed to that company directly.

In order to take advantage of the advanced order rates, be sure to send all forms in by the deadline date posted at the top of each form. Also, include your Payment Policy form as we require full payment at the time services are ordered. We accept checks and money orders, however, we encourage you to place a credit card on file with your initial order. This card may also be used for additional labor or material handling services placed at show site.

Placing your order in advance not only provides you special discounted rates but guarantees your request for labor and selection of furnishings.

Expo understands there are many details to preparing for an event and our goal is to make your ordering experience the most efficient and trouble-free as possible. If you need any assistance with your forms or have any questions regarding your event, please contact our Exhibitor Service department at 305.71.1234.

We look forward to working alongside you and thank you in advance for your order. It is our hope that your participation in this event successful!

Sincerely,

MATERIAL HANDLING INFORMATION & ADDITIONAL CHARGES

SPECIAL HANDLING

Rate as shown on Material Handling Authorization Form

The standard material handling applies to shipments that can be readily handled off or onto a truck using a conventional forklift or pallet jack equipment without re-handling. A special handling charge applies if your shipment requires extra labor for stacking or unstacking containers on a truck (cubic loading), tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the re-handling of materials.

OVERTIME

Surcharge: 25%

Based on show move-in/move-out schedule and/or late driver check-in, an overtime surcharge per occurrence applies to shipments handled at show site during overtime hours. Your advance warehouse shipments may be received during straight time, but due to scheduling conflicts beyond EXPO's control may be moved into the exhibit hall on overtime. Any additional overtime charges will be invoiced at show site and are subject to change pending move-in/move-out schedules. Handling times will be documented on shipping documents. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the EXPO Service Desk AND the driver has checked in.

LATE SHIPMENTS

Surcharge: 25%

A surcharge will apply to shipments not arriving within the published dates (refer to EXPO Quick Facts page for dates) for advance warehouse or arriving on show site.

UNCRATED SHIPMENTS

Rate as shown on Material Handling Authorization Form

An additional charge of 25% (or as stated on Material Handling Authorization page) of the applicable material handling charge at the time of delivery shall be charged for all loose, uncrated, or unprotected shipments received at the show site docks. The charge is a one-time charge that includes both move-in and move-out of the show, and is based on the weight of the shipment handled.

OFF-TARGET DELIVERIES

Surcharge: 25%

A surcharge will apply if shipment is not delivered (or carrier has not checked in) during assigned target date/time.

PADDED VAN DELIVERIES

Surcharge: \$8.00/CWT

A padded van surcharge applies to van line carriers that transport freight at cubic displacement rates, operate a non-standard dock height equipment, require freight on the truck to be unloaded in a specific order or orientation, or require that freight on the truck be moved to unload the actual delivery.

MARSHALING YARD

Surcharge: Maximum \$20.00

Where EXPO Convention Contractors, Inc. as the show contractor must lease space for marshaling yard operations because no space is provided by the facility, EXPO may charge a fee per shipment processed through the marshaling yard.

REWEIGH OF SHIPMENTS

Surcharge: \$25.00 per forklift load

An additional charge per forklift load will be applied to shipments that have to be reweighed at the dock due to the lack of a certified weight ticket, or an incorrect or understated weight on a delivery document.

EMPTY CRATE STORAGE

Surcharge: \$35.00 per piece

A charge per crate, carton or skid applies when EXPO handles the storage and return of empties from a shipment not received by EXPO and therefore not subject to material handling charges.

Empty crates/cartons are stored in trailers during the show. They are returned in random order after the show closes and the aisle carpet has been picked up.

ENVELOPE DELIVERIES

Surcharge: \$10.50 per envelope

During show hours at the show facility, a charge will apply to receiving and delivering envelope packages to your booth.

ACCESSIBLE STORAGE

Surcharge: Based on applicable Labor rate (refer to labor order form)

Accessible storage will be accessible during the show, but not necessarily by exhibitors. There is a one hour labor rate charge for each time the accessible storage is accessed. There will be no charge to return material to the booth at the close of the show.

WAREHOUSE STORAGE

Surcharge: Minimum one-hour labor fee for each trip

Shipments arriving at the warehouse more than 30 days ahead incur storage fees. Transportation of freight to the warehouse after the show at the exhibitor's request incurs "return to warehouse" (RTW) fees and storage fees.

Return to Warehouse Service Fee

Surcharge: \$15.00 per CWT, Minimum \$50.00

(crated materials only, uncrated materials will not be accepted at warehouse)

Receive & place in storage

Surcharge: \$6.00 per CWT

Storage per month

Surcharge: \$8.00 per CWT, Minimum \$25.00

Remove from storage & load out

Surcharge: \$4.00 per CWT

MOBILE SPOTTING FEE

Surcharge: \$400.00 round trip

Vehicles operated by exhibitors may be allowed on the exhibit hall floor for loading or unloading, if EXPO determines such activity to be operationally feasible and safe. All vehicles operated on the exhibit hall floor must be escorted by EXPO personnel. In such cases, a MOBILE SPOTTING FEE will be charged. All local fire marshal rules and regulations apply. Please call customer service for details.

If you have any questions about material handling, please contact EXPO Exhibitor Sales & Services Department.

MATERIAL HANDLING Q & A

What is material handling (also referred to as drayage)?

Material handling is the process of unloading your freight from your shipping carrier, either at the warehouse or show site, delivering it to your booth, storing your empty containers (empties) if required, returning of your empties at the close of show, and then reloading your freight back onto your shipping carrier.

What is the definition of "freight"?

Any exhibit materials that are shipped or delivered to the advance warehouse or show facility via shipping carrier, POV, or delivery truck.

What is a "certified weight ticket"?

A printed weight ticket from a scale certified or inspected by a government authority such as the Dept. of Agriculture, indicating the date weighed, the weight of the shipment and the vehicle ID of the unit being weighed.

IMPORTANT FACTS ABOUT ADVANCE SHIPMENTS

All shipments that are addressed to the advance warehouse address (please refer to "Advance Warehouse" shipping labels included in this manual).

EXPO will begin accepting your shipments 30 days prior to first show open day (date may vary depending on show schedule).

The warehouse will receive shipments Monday thru Friday, 8:00am - 3:30pm, excluding holidays.

Shipments must arrive by advance warehouse deadline date to avoid a late surcharge. (Please refer to the "Show Information" page included with this manual for deadline date.) Crates, cartons, skids, fibercases, and carpets can be accepted at the warehouse, but DO NOT ship crates weighing over 5,000 lbs., loose/uncrated shipments and/or machinery to warehouse. You must ship those items direct to show site.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. **Certified weight tickets required.**

MATERIAL HANDLING CHARGES

What determines how much I'm charged?

Charges are based off the weight from your inbound weight ticket included with your shipment.

How do I calculate material handling charges?

Material handling services, whether used completely, or in part, are offered as a package. When recording weight, round up to the next 100lbs. For example: 285lbs. = 300lbs./100 lbs. = 3 X RATE = \$ Amount or minimum charge, whichever is greater.

Will there be any additional charges?

Additional charges may apply. Please review the Material Handling Authorization form.

LIABILITY INSURANCE

What is and why would I need liability insurance?

Accidents happen, therefore, most show organizers and facilities require liability insurance. Please refer to your booth contract for exact minimums required.

Please make sure your materials are covered from the moment they leave your company location to the time they return after the close of the show.

What is the difference between material handling and shipping?

Shipping is the process of carrying your shipment from your location, pick-up area to its destination and also the process of returning your shipment back to your location after the close of the show. *Material handling* begins at the time your shipment arrives to the docks (please refer to "What is material handling?" for the full definition.)

Do I need to order a fork lift to unload or reload my freight?

No, please do not order a forklift for unloading/reloading of your materials. It is included in the material handling/drayage fee.

What does CWT mean?

CWT is an acronym for Century Weight, therefore it means per 100lbs.

CRATED~UNCRATED~SPECIAL HANDLING

What are CRATED materials?

Materials delivered that are skidded or in a container that can easily be unloaded/reloaded with no special handling required.

What are UNCRATED materials?

Materials delivered that are loose, pad-wrapped or un-skidded without proper lifting bars and/or hooks.

What Is SPECIAL HANDLING?

Shipments delivered that require extra labor for stacking or unstacking containers on a truck (cubic loading), tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials.

IMPORTANT FACTS ABOUT DIRECT SHIPMENTS

What are direct shipments?

All shipments that are addressed directly to the exhibit facility (please refer to "Direct to Show" shipping labels included in this manual).

Shipments must arrive during exhibitor move-in times only. Do not ship direct to show site in advance. If delivery cannot be guaranteed to arrive during exhibitor move-in, shipment must go to advance warehouse.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. **Certified weight tickets required.**

Crates weighing over 5,000lbs. or loose/uncrated shipments must be shipped direct to show site to arrive during exhibitor move-in times.

All shipments must be prepaid, no collect on delivery shipments will be accepted.

OUTBOUND SHIPMENTS

You must complete an EXPO Bill of Lading (BOL) for all outbound shipments. Please come to the Expo Service Desk the last day of the show to settle your account and pick up a BOL.

Upon completion of packing and labeling of your materials, complete the bill of lading with all required information, and return to the Exhibitor Service Desk. If you have questions on how to complete your bill of lading, please ask an EXPO exhibitor service representative located at the exhibitor service desk.

If you are NOT using the designated shipping carrier, you must call your carrier with pick-up information. If your carrier fails to pick up your shipment, EXPO will either reroute your freight through the carrier of our choice or return to the local warehouse (whichever is indicated on your BOL).

To assist you in planning for your participation in this event, we are certain you appreciate knowing in advance that union labor is required for certain aspects of your exhibit handling. To help you understand the Area Work Rules, we ask you to read the following:

FREIGHT HANDLING

The Local Union claims jurisdiction over the operation of all material handling equipment, all unloading and reloading. An exhibitor may move material that is hand-carriable by one person in one trip, without the use of dollies, hand truck or other mechanical equipment. When exhibitors choose to hand-carry in accordance with the foregoing, they are not permitted access to the loading dock area(s).

EXPO is responsible for receiving and handling all exhibit materials and empty crates. It is our responsibility to manage loading docks and schedule vehicles for the smooth and efficient move-in and move-out of the exposition.

EXHIBIT INSTALLATION AND DISMANTLING

The Local Union claims jurisdiction over the installation and dismantle of tradeshow and exhibits. Full time employees of the exhibiting companies, however, may set their own exhibits without assistance from this local. Any labor services that may be required beyond what your regular full time employees can provide, must be rendered by the Union. Labor can be ordered in advance by returning the Labor form, or at show site, at the service desk. Proof of full time employment status may be requested by the Union Steward of any personnel working on your booth.

GRATUITIES

We request that exhibitors do not tip (such practices as giving money, merchandise, or other special consideration for services rendered) employees. Do not give coffee breaks other than mid-morning and mid-afternoon, when union employees have fifteen minute paid breaks. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a supervisor. Employees are paid an excellent wage. Tipping is strongly discouraged and is not an accepted company policy.

EXPO HOLD HARMLESS AGREEMENT / VEHICLE SPOTTING

The Association and Exhibitor will hold harmless EXPO Convention Contractors, Inc. for any damage or injury resulting from vehicle spotting. Damage or injury to Vehicle / Driver / 3rd Party Personnel / Display.

IN GENERAL

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. It is recommended that any questions arising with regard to union jurisdiction or practices be directed to an EXPO management representative.

HOW TO SUBMIT YOUR ARTWORK:

Expo uses HP 5000 Series large format printers using Onyx RIP software. We use Windows XP computers. All files should be saved for PC format. No MAC files are accepted.

EPS & AI formats:

We use Illustrator CS5 to read eps. & ai. files Check & make sure that all graphic elements are inside the document box. No clip masks. The document box should be the same size as the image you want printed or reduced in multiple of 2. No bleeds or crop marks. These are outside the document box & would need to be removed before the image enters the RIP process. Only Illustrator "crop area make" – "crop area release" function is compatible with Onyx RIP software. Bleeds are added if necessary in the Rip process.

Please convert all fonts to outlines.

TIF & PSD (Photoshop) formats

We use Photoshop CS5 to read TIF & PSD files. For best results images should be at least 72 ppi or greater when viewed close up. If the image is going to be viewed at a distance, lower quality images are ok.*

Problem formats

Word documents Images: Images embedded in Word documents are unsuitable for large format printing. Please try to obtain the original image.

Adobe In Design files: Please convert In Design files to an illustrator or pdf format.

Gif files: The gif format has only 256 colors (8 bit) & require a lot of editing for large format printing.**

Jpg files: jpg is an image compression format. This compression leaves artifacts in the image. Only images that are saved with little or no compression are suitable for large format printing.

* A 300 ppi 8.5" X 11" magazine cover at is only 34 ppi when printed 8 ft tall. This would be ok if viewed at a distance.

** Needs to be converted to 24bit & noise added to reduce banding.

Send graphics file to EXPOCCI@GMAIL.COM and include SHOW NAME, COMPANY NAME & BOOTH #
