2026 Sponsorship Opportunities

Engage bioprocessing industry leaders seeking strategies to master regional manufacturing compliance, boost production efficiency, & fast-track therapeutic innovation

About BPI APAC

***BPI APAC** bridges multiple stages of development to share innovative ideas that improve the cost and quality of process, product development, and manufacturing.*

Attendees of BPI APAC will get to experience and influence the paradigm shift of developing and manufacturing biopharmaceuticals through collaborative efforts across departments and stages of development. As a sponsor of BPI APAC, partner with leading bioprocess decision makers in need of solutions towards commercially successful biologics.

LeadInsights

Actionable Leads. Richer Insights.

- Your custom Lead Insights platform offers a single, near real-time view of all your event and digital campaign leads and reporting in one place.
- Understand who your leads are and how they have engaged with your content, enabling you to prioritize and target them with tailored follow up messaging faster and more effectively.
- Lead Insights unlocks the full potential of your event and digital campaigns through near real-time, actionable insights that help you turn your leads into customers and maximize your return on investment.
- Target the right leads, with the right message, at the right time.

Benefits

- **Lead Access:** Access all your event and digital leads in one place, updated throughout your campaign in near real-time. Leads are cleaned, validated and unified across products, improving their accuracy and completeness. Customizable export of the data enables simple integration with your existing process and systems.
- **Lead Scoring:** Leads are ranked by the most frequent and meaningful engagement with your content, allowing you to save time, effort and budget by prioritizing the leads most likely to convert to customers.
- **Lead Profiles:** Engagement data is combined with company intelligence data, building enhanced profiles of your target leads, giving you a deeper understanding of who your leads are and what their needs are. This enables you to tailor your follow up messaging more effectively and turn leads into customers.
- **Lead Targeting:** Sophisticated customizable individual and company filtering and segmentation allows you to pinpoint your hottest prospects and most qualified potential customers in seconds.
- **Campaign Insights and Reporting:** Quickly visualize how your campaign is performing and whether you are attracting the right audience to analyze the success of different products and measure ROI.

Investment: \$1985 (Sponsors) / \$1000 (Exhibitors)
