Plus find free to use [Social Media Graphics](#) and [Social Media Posts](#) on our Marketing Tools Page that you can use on LinkedIn, Instagram, X and more.

## Lead Retrieval

As a part of our digital enhancement program to improve your exhibition experience at BUILDDEX Alberta, every exhibiting company is entitled to one (1) Lead Retrieval device (mobile app or mini scanner) as part of their exhibit contract.

Using a Lead Retrieval device is the guaranteed way to capture leads at BUILDDEX Alberta.

Please note that each exhibiting company must claim their one lead retrieval mobile app or mini scanner by clicking the button below. Additional devices can be purchased, and the discount on one device will apply to your order.

## Lead Insights

As an exhibitor, you now have access to **Lead Insights** as part of your exhibitor package, complementing MicroSpec's Lead Retrieval system. This powerful platform allows you to rate, view, manage, and export all your interaction and campaign data in one centralized location.

### How It Works

Simply use your MicroSpec Lead Retrieval device to scan attendee badges, and all information will automatically appear on your Lead Insights Dashboard. The system analyzes this collected data, providing comprehensive visibility into all interactions—which you can then view, filter, and export directly from the dashboard.

### Getting Started

You'll receive access credentials and additional information via email from [leadinsights@informa.com](mailto:leadinsights@informa.com). We'll also invite you to attend a dedicated webinar where we'll:

- Demonstrate the platform's capabilities
- Provide tools and strategies to maximize your success
- Show you how to optimize your ROI at the event

We're excited to help you leverage this powerful tool to transform your connections into valuable

## Booth Design Guidelines

Planning your booth design? Check out our [Booth Design Guidelines](#) for all the details you

need to plan your booth and any special regulations you might need to be aware of. In this section, we cover your booth space, sightlines, booth types and layouts, regulations, and more.

While you plan your booth design for 2026, check out our [Sustainability](#) page for suggestions on how to be more sustainable in your participation at the event, starting with your booth design.

If your booth is 400 sq. ft. or larger, you'll need to have your booth designs approved by Show Management. Send the details to Maggie Roman at [maggie.roman@informa.com](mailto:maggie.roman@informa.com) by September 21, 2026, to be approved.

If you have missed anything, please [review previous Exhibitor Essentials here](#).

We look forward to seeing you at BUILDEX Alberta in October!

Warm regards,

The BUILDEX Team
